4. Treasurer's Report : Mark Ainsworth

Moved: Phil Twaddle
Seconded: A. O'Connor

Comments: Cash position is low but treasurer is confident cash position will build this year as no new turf wicket expense this season. Last season expense to club was over 55K. Ground rental has increased substantially next season so club will be looking at relocating from Elderslie for 5ths and 6th due to costs.

6- GENERAL BUSINESS

6.1- Election of Club Patron: **David Shaw**

Moved: Ian Simpson
Seconded: Don Royce OAM

6.2 – GCA matters/General Discussion Topics:

Discussion was raised by Don Royce that club should put away each season into a term deposit some money towards replacing new wicket in 10/20 years time. Mark Ainsworth to set up term deposit.

Costs around a second junior overseas player from Essex were also discussed. Also we need a checklist for bringing in an overseas player before we commit. Eg Do we need a paid player in seconds , car , cost , where is he going to live etc etc. We should do this checklist before we commit to an overseas player each season. Club is trying to bring back Ronnie for next season as its overseas player to play first.

Women's cricket was extremely successful and well done to Phil Twaddle , Adam Woollett and Ian Hastie. Maybe 3 teams next season. Skill improvement from season start compared to end of season was fantastic.

All players need to registered with Play HQ before season starts. This must be done individually by all players. Cost is \$22.50. Also memberships need to be paid before season starts to insure players are insured.

6.3 – Life membership: **None**
