(1)

Newtown & Chilwell Cricket Club.

Dear Member,

This is the first of a series of newsletters you will receive this season. The committee's intention is to regularly notify each member of the club's activities, and by so doing it is hoped that this will lead to an increase in members' participation both on and off the field.

Matters of importance to you.

- 1 The season commences on Saturday, October 6th - 3 weeks from next Saturday.
- 2 New coach. Your committee is happy to be able to announce the appointment of Mr. Mick Bowtell as the club coach for this season. Mick, with the assistance of Bob Merriman, will be responsible for the coaching of both senior and junior teams. With his known ability, and experience in Melbourne district cricket with both University and Richmond C.C.S, we are hopeful that he can lead us to bigger things this year.
- 3 Practice. The club's second practice will be held next Sunday at Queens Park commencing at 11.00 am, and on each Thursday and Sunday after that. It is of no use having a new coach if we do not have regular, large numbers at practice, so please make every effort to attend. A new coach plus a new attitude will certainly lead us to bigger things this year.
- 4 Recruits. Please do all you can to attract new players to the club. I'm sure you can offer prospective players a happy, and hopefully a successful career with Newtown and Chilwell.
- 5 Committee Members. A committee meeting will be held before practice next Sunday commencing at 10.00 am sharp.

Let's make next Sunday the start of a successful season for all.

Paul Anderson  
for Ian Quarrel  
Secretary.
